Miss Rust, you
are the best teacher in this old
school. You might give or get
a little irritated once in a while, but
I enjoyed having you as a teacher
for the past two years. So I wish
you the best of luck in everything
you do and I sincerely thank you
for all the help you have gave me.

Miss Rust —

It's been my privilege to be in your music groups. No one knows what you have meant to me these past four years. The encouragement sure has been helpful. Of all of my teachers it's very easy for me to say you are undoubtedly my very favorite. I only wish I could have been more help to you in your classes and groups.

By the way, I guess I owe my first date with Sam to you. It was sure nice of you to say the things you did though I think you buttered it up a little.

I may come see how you get along next year with all your musicians. Hope you have the best choir ever next year.

Best wishes to a wonderful teacher and friend.

Sincerely,

Shirley D. Dinnis

P.S. Remember when ~~and~~ I was in Freshman chorus class? A first Soprano! I sure changed.

A Cappella Choir

The A Cappella Choir, under the direction of Miss Margaret Rust, is composed of students selected from Boys' and Girls' Glee Clubs. The A Cappella Choir sings at special assemblies and takes part in several vocal clinics during the year.

Twice a year the entire Vocal Music Department presents a concert. At the annual Christmas Concert this year the A Cappella Choir sang several selections written in foreign languages. The Spring Concert was shared with the Liberty High School Band. After this concert a record was made by the Choir and Band.

Vocal musicians are awarded a letter for outstanding work in this department. A music fundamental test and sight reading test must be passed before the applicant can be considered for the award. The faculty then votes on the candidate.

Liberty High School is proud of its Music Department and the high reputation it has won for itself.

Jays Win 2nd Place

Liberty Bluejays opened their season with the annual intrasquad game. Blue won with a score of 32-0. Jeff Pond and Jim Irminger were the stars of the game.

As the team prepared to play Hogan they were anticipating a tough game. However, Jeff Pond scored two touch downs and passed for two more to lead the Jays to a 54-0 romp over Hogan.

The next Friday found Liberty at their first Conference game of the season. Center stormed back in the second half to defeat Liberty 26-14.

Fred Petty's 28-yard run with 20 seconds left in the third quarter provided Liberty a 7-0 Sub-urban Conference victory over Grandview. Petty's dash was set up by Jeff Pond's recovery of a fumble at the Bulldog 30.

The Lee's Summit fans had no desire to view the 54-7 defeat their previously unbeaten favorites had taken. Sophomore Charlie Lee and senior Lowell Irminger led the Liberty attack with two touchdowns each.

Penalties and an inspired Excelsior Springs defense held Liberty Bluejays for almost 3 quarters. In a 4 touchdown barrage in the game's final 13 minutes the Jays won 32-0.

LIBERTY MANOR STANDARD SERVICE

In Conference

Jeff Pond, senior tailback led powerful Liberty to its 4th straight win, a 46-0 romp over the Ruskin Eagles.

The Bluejays defeated Fort Osage 27-0 in their Homecoming game. Allen Portwood, Jim Irminger, and Jeff Pond were the big guns in the bluejay attack. Portwood scored two touchdowns. Irminger took two passes from Pond for touchdowns and Pond scored one himself on a 20 yard run.

Liberty rolled easily to its 7th straight win, a 38-7 victory over Blue Springs. Jeff Pond passed for two touchdowns and scored himself.

Liberty Blasted Richmond 46-0 to finish the season with a 9-1 slate. Typical of the season which saw almost every Jay star in one game or another was the fact that seven different players scored touchdowns and 3 different boys added conversions.

John Pritchard, Jim Irminger, Bill Van Note, and Jeff Pond were honored by being chosen for the Suburban conference's All-Star team. Roy Thomas and Don Flassing made the second team. In addition, John Pritchard and Jeff Pond were named on the District team. Jeff Pond went on to be chosen on the All-State Football team.

Conference Champs

CHAMPION COACH
Mr. Kenneth Cokely

The Liberty basketball team won first place in the Suburban Conference. They won Consolation in the Jewell Tournament by beating Fort Osage 49-36. Later in the season they beat Osage 51-35.

Lee's Summit was defeated 54-44. Liberty's fifth Suburban Conference victory was over Ruskin. The score was 53-42. Park Hill was severely tromped by Liberty 90-62. Thanks to the Bluejays depth and good outside shooting they were able to beat Blue Springs 54-48. The rest of the season's scores also indicated the strength of the Jays.

All twelve players graduate this year. Most of the boys played together since the eighth grade year and the championship is the culmination of it all.

WE HAVE CONQUERED THE PAST

Senior

Away we went for a week-end of swimming, boating, water skiing, and just ordinary?...fun. Of course this was the Senior Trip. We had planned and saved for months to spend a leisurely week-end on the Lake of the Ozarks. At last our plans were fulfilled. Did we have fun? See for yourself!

LET US CHALLENGE THE FUTURE

Soon, we too shall be pictures on the wall.

Mr. James A. Hazlett

Four years left behind! Left behind in time, but always there in recollection. Years of learning, working, playing, each a part of every person for the rest of his life. The halls and classrooms forever echoing the gay chatter and searching questions... of the graduating class.

On May 27, 1958 the commencement exercises were held in the Liberty High School auditorium. Mr. James E. Hazlett, Superintendent of the Kansas City Schools, gave the commencement address.

Eighty-seven seniors were graduated, being presented their diplomas by Mr. Ed Duncan, President of the School Board.

The graduating class of 1958.

SPECIAL MUSIC CONCERTS

Miss Rust with that, "Oh you shouldn't have," look, accepts from David Ferril a gift of appreciation.

Our formal spring band concert was presented this year under the direction of Mr. Clinton Manness. A guest "Trumpet Trio" was added as a special attraction.

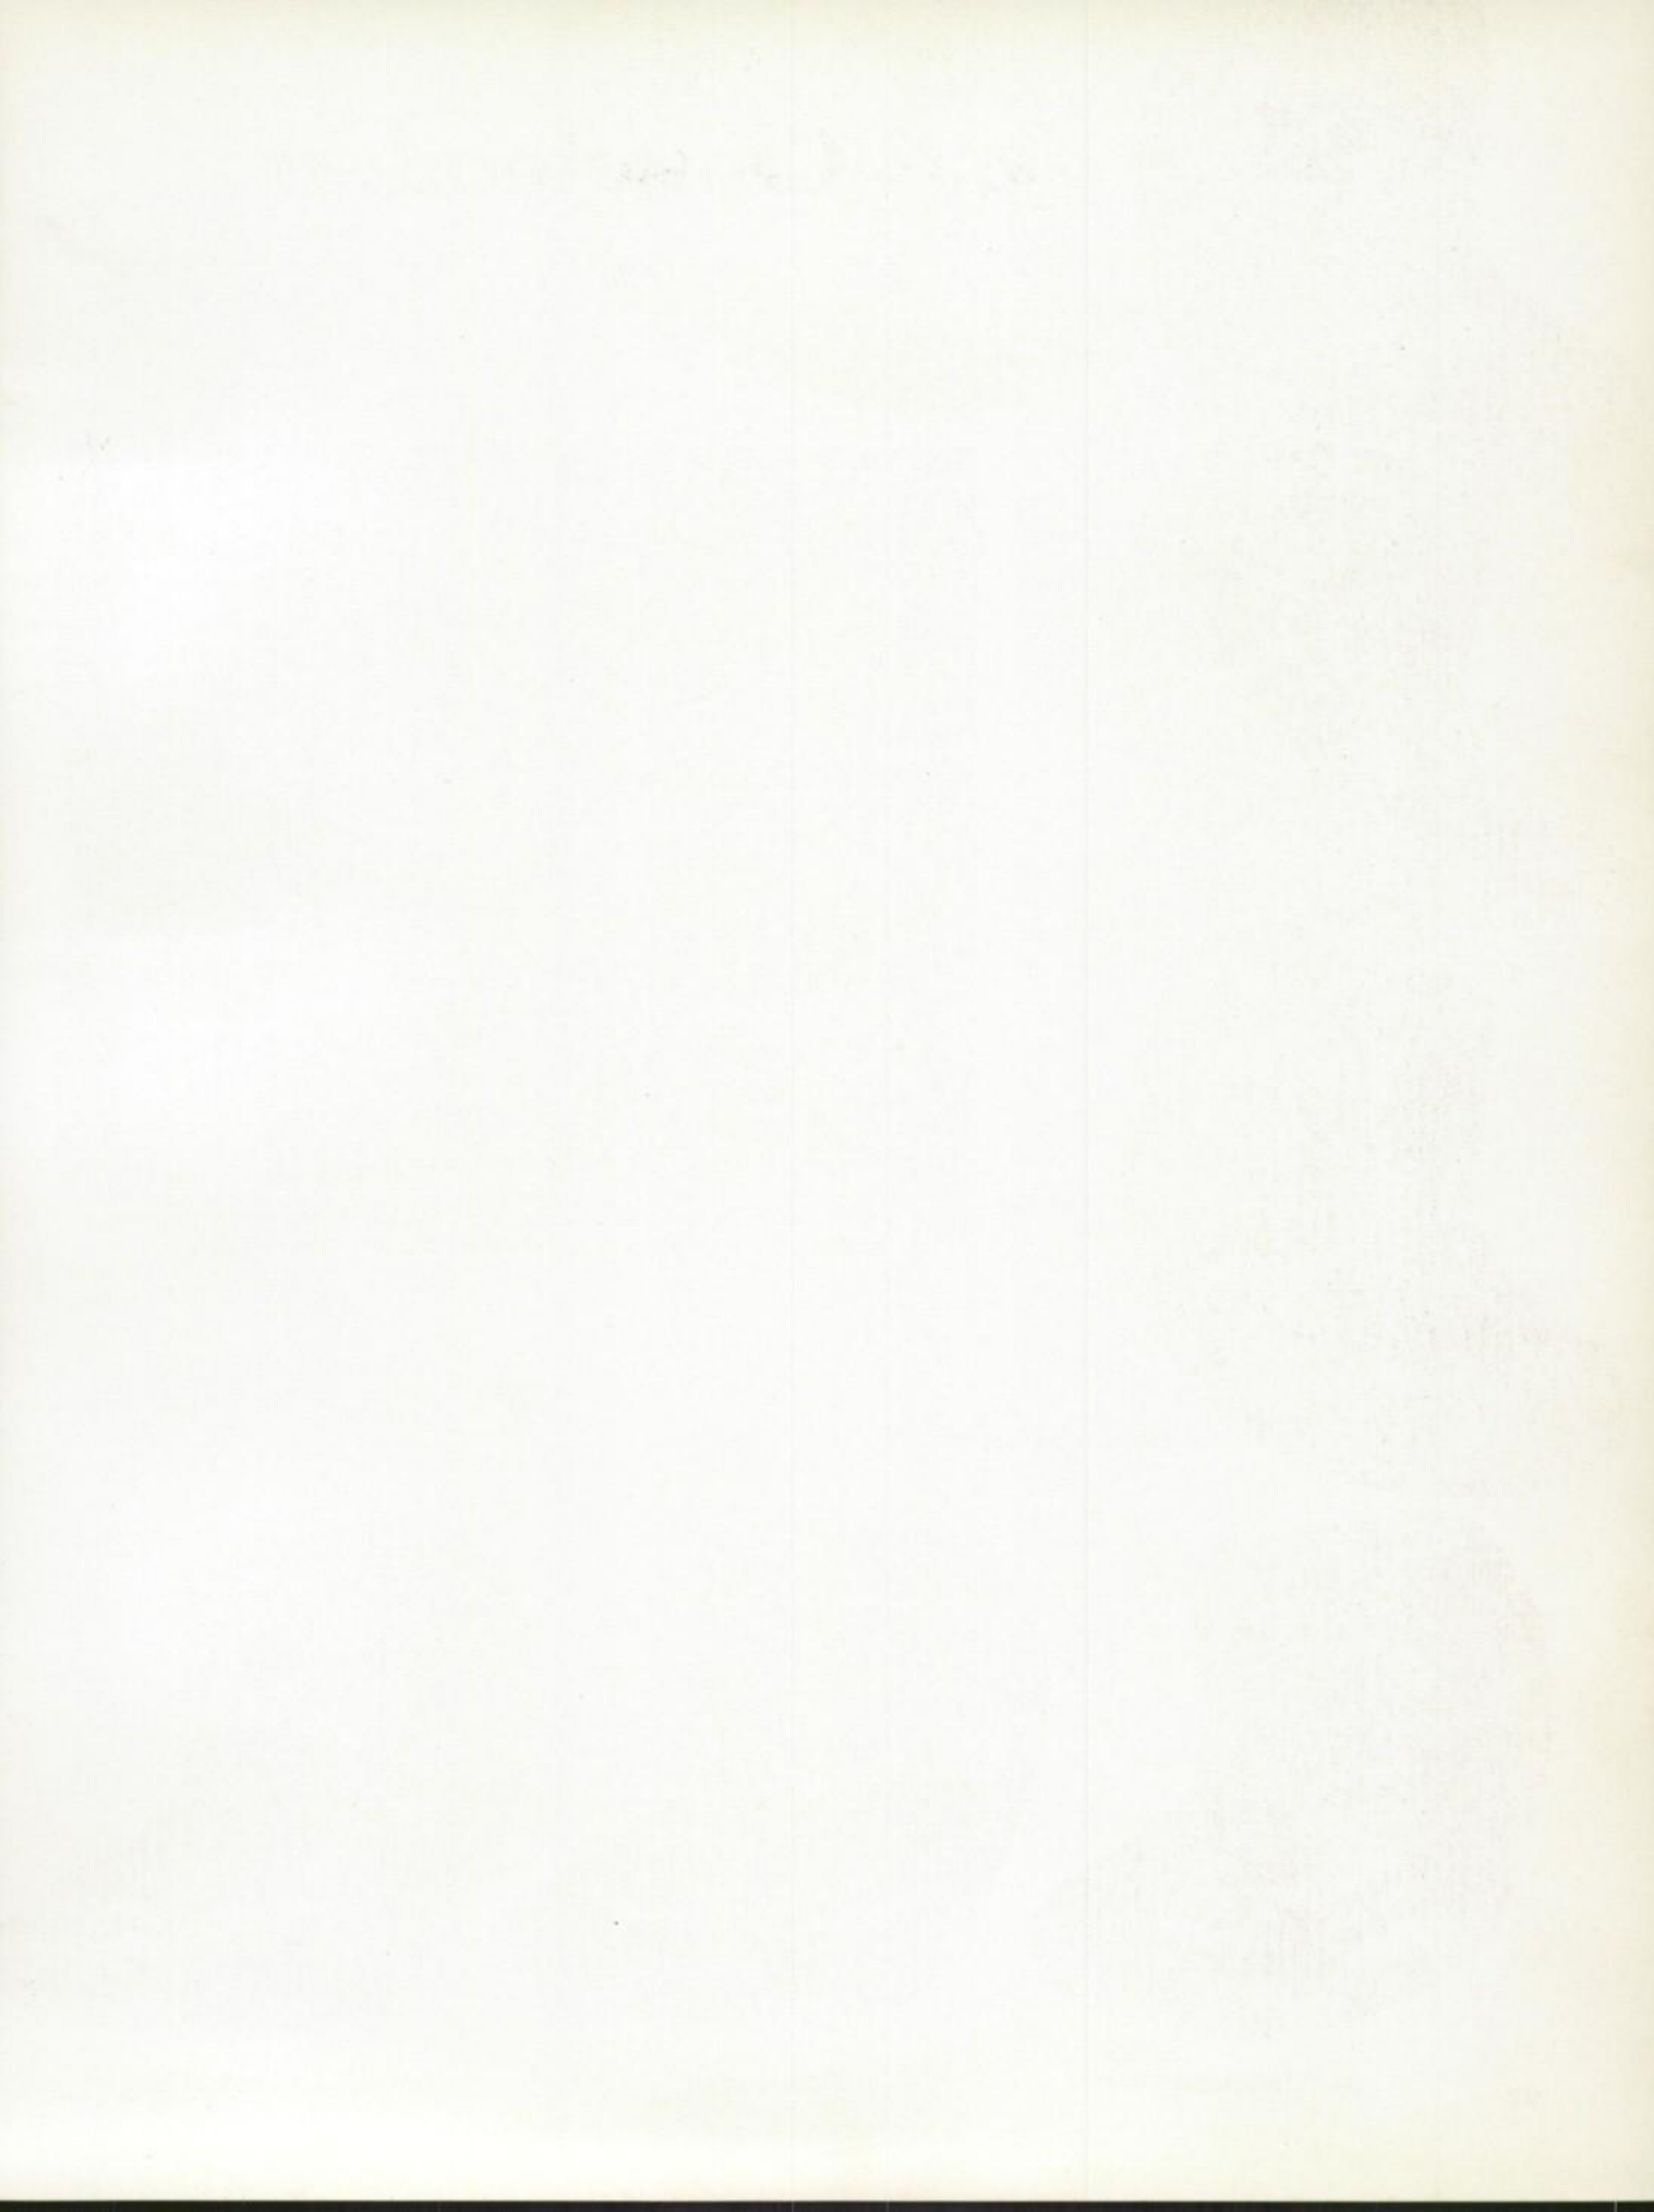

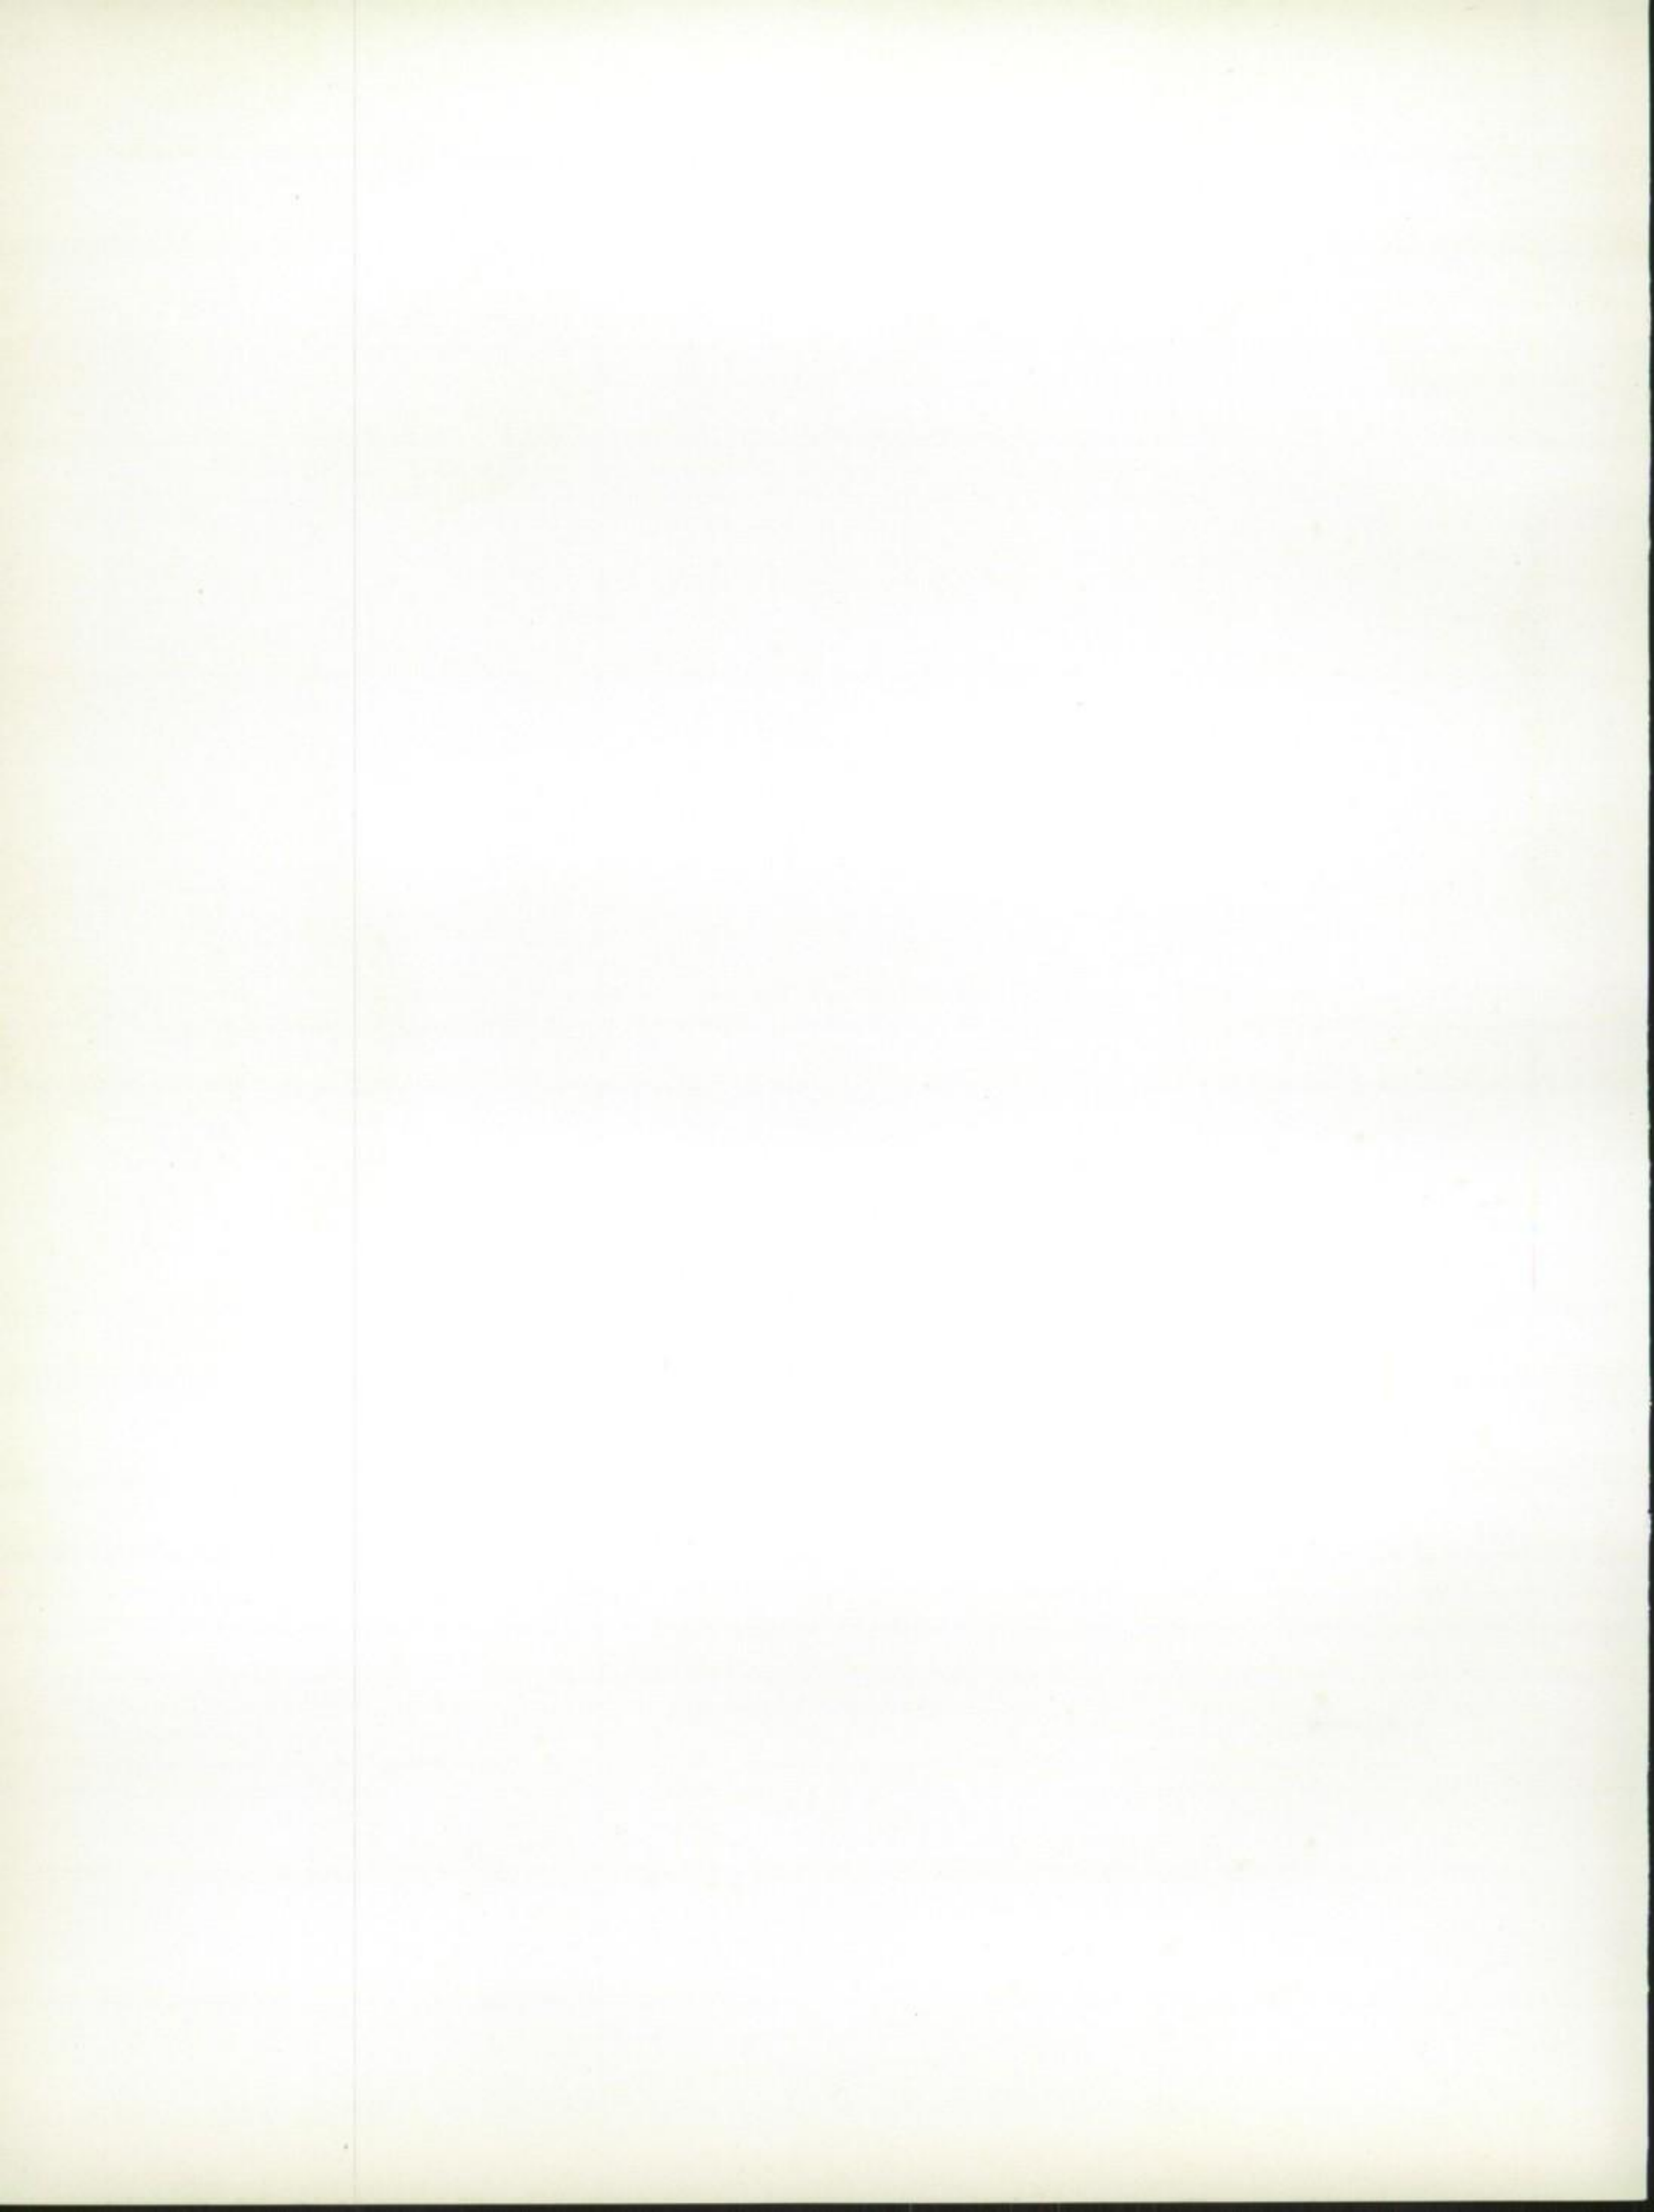

The evening before the District Music Contest the vocal music department under the direction of Miss Margaret Rust, held a concert. A special feature was the A Cappella Choir singing "The Creation."

One more time....

Performance at its best!

Dear Miss Rust -

I want to tell you sincerely how much I have enjoyed this year in Cappella. I am looking forward to next year when we'll really be getting to work & getting things done.

I know you'll have a lot of fun the first day of school. Music is one of the classes I really enjoy. I'll be seeing you this summer in the voice lessons I guess. I want to say you are my favorite teacher & I really mean it Miss Rust. Best of everything to a wonderful person & teacher! — A Loving Student,

Sharon
Lamb

Dear Miss Just —

Hope you don't mind me writing on the last page but you know the old saying — "save the best for last" well, when I was a freshman I never thought this time would come — but here it is, and after having you for a teacher and advisor for 12 years — I'm finally forced to say good-bye to my high school days! I know now that I shall never forget you are the music department for all of the opportunities you've opened to me. I envy you almost year — sounds like you're ready for an enjoyable year — just think what if the impossible happens and you end up with 120 angels in each group — wow! This I shall be certain to return to hear! Whenever Bill, Charlie, Jim, or Danny open their mouths at the wrong time give it to them a little extra for me ok? They oughta get a kick out of their whole conduct — physically! Just wishes ever to a wonderful person

Your Spring Student,

Judy J
